Pregovori v barvah

Proverbs in colours

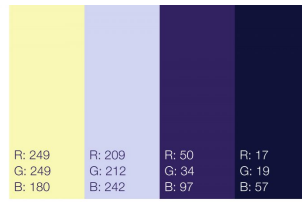

Ob Mednarodnem dnevu barve smo študente GIK2 pri predmetu Merjenje barve izzvali, da s paleto štirih barvnih vzorcev ponazorijo pregovore. Tako predstavljene barvne palete prikazujejo interpretacije izbranih pregovorov s pomočjo barv, s katerimi so študenti izrazili čustva, ki so jim porodila ob zapisanem besedilu.
