Winter semester is ending and with that also our projects. Students of Graphic and interactive communication  
– Master's have designed multiple graphic products for companies **Slovenian Tourist Board** and **EpiCoro Games**, the latter were presented not only to EpiCoro Games, but **Voodoo** as well, one of the main game publishing companies worldwide.

We are inviting you to the exhibition opening, which will be held on January 15th at 12.00. You can join us and view the exhibition via [link](#).
