
Lecture »Working with Pantone«

1. 6. 2015, at 13.41, in [Event](#) posted by [IGT](#)

Faculty of Natural Sciences and Engineering (NTF), Department of Textiles, Graphic Arts and Design (OTGO), in collaboration with HSH d.o.o., which represents the company Pantone in Slovenia, invites you to an interesting lecture on the entire PANTONE program. Pantone is used for daily work by graphic designers, printers, packaging designers, fashion designers, designers of textile, furniture, household appliances, plastic products, paint manufacturers, etc. The lecture is intended for students, teachers, graphic artists, architects and everyone in the industry who have daily dealings with the colors and design.

At the lecture samples of a wide range of PANTONE catalogs as well as measuring instruments Capsure and ColorMunki, and associated software will be presented. Information about PantoneLIVE, used by biggest companies for their products will be provided. Lecture will be held in English, conducted by Ingrid Holacsek, director of sales PANTONE for Central and Eastern Europe.

The lecture will take place on **Wednesday, 10. 6. 2015 at 12 p.m. in the lecture hall P1 (1st floor)** at the Department of Textiles, Graphic Arts and Design (Snežniška 5, Ljubljana). After the lecture (no registration fee required) an individual counseling will be offered.

Additional information on PANTONE products are available at www.pantone.com. For more about the lecture please call HSH d.o.o at (01) 505 70 28 or write an e-mail at hsh@hsh.si and rasa.urbas@ntf.uni-lj.

Due to limited space, please confirm your participation in one of e-mail addresses above.
