
Exhibition OD DO

31. 5. 2015, at 14.00, in [Event](#) posted by [IGT](#)

After the whole semester battle the students of 2nd year Graphic and interactive communications (GIK) and Graphics and media technology (GMT) have successfully completed the project Visualization route, supervised under dr. Klementina Možina, dr. Blaž Rat and dr. Tanja Nuša Kočevar, made in the course of Media visualization.

We were drawing lines, created routes on a map, walked through Ljubljana and in the form of words, pictures and video wrote down our observations. Finally we transformed them into product that we want to present to the general public. To this end, and as a sign of this glorious news, we invite all current and former NTF students, all individuals marching past NTF building, your aunts, uncles and grandmothers, to our products exhibition.

Opening of the exhibition OD DO will be on Thursday, 11. 6. 2015 at 6 p.m. at the VIVO D125 (former printing house Mladinska knjiga, Dunajska cesta 125, Ljubljana). If the you are unable to attend the opening, you can observe our products until Wednesday, 17. 6. 2015 – every day between 11 a.m. and 5 p.m.

Opening of the exhibition will be enriched with a program that will include just the right amount of humor, performance of theater group P.L.I.N., banquet and a small surprise.
