Information on Application and Admission Procedure

Faculty of Natural Sciences and Engineering offers study programmes of all three Bologna cycles. You can find more information on our study programmes at the [first](#), [second](#) and [third](#) cycle studies tabs.

In order to gain access to education in the Republic of Slovenia, you must complete the process of recognition of foreign education that is regulated by the [Act on Assessment and Recognition of Education](#) (Official Gazette RS, no. 87/11, 97/11 – red. in 109/12)

You will find more information about the process of recognition at the [University of Ljubljana web site](#)

Students apply to first cycle study programmes **and** at the same time **start the process of recognition** of foreign education **at the eVŠ website**.

If you have technical problems or questions regarding filling out the application form, please send your questions to ekc@gov.si

Application of Citizens of the Republic of Slovenia, member states of the EU and Slovenians without slovenian citizenship+

There are **two application periods**:

- **First**: between 17 February and 20 March 2023
- **Second**: between 21 and 25 August 2023

You can find **more information** on enrolment at the [University of Ljubljana website](#)

You will apply on the [eVŠ web page](#). Instructions on how to apply are on this [web page](#).

If you have technical problems or questions regarding filling out the application form, send your questions to ekc@gov.si

Students who qualify for studies will get information on the enrolment process by e-mail.

Application for Foreign Citizens of non- EU countries+

There are **two application periods**:

- **First**: between 17 February and 20 April 2023 is open to all applicants
- **Second**: between 4 and 5 September 2023 is open only to students who have already acquired a document on the recognition of foreign secondary education and did not qualify for studies in first application period or students who qualified and didn't enrol.

You can find more information on the enrolment procedure at the [University of Ljubljana website](#)

You will apply on the [eVŠ web page](#). Instructions on **how to apply** are on [this web page](#).

If you have technical problems or questions regarding filling out the application form, send your questions to ekc@gov.si

Students who qualify for studies will get information on the enrolment process by e-mail.

YEAR PLUS for international students+
Dostopnost

During their first year at the University of Ljubljana, international students may attend the so-called Year Plus, in which the Slovenian language courses are mandatory.

- Year Plus is designed to help international students to adapt to the Slovenian system and culture in their first year of study in Slovenia.

Here are some last year's information on Year Plus (will be updated later):

- Please find more information on [this web page](#)

Application to Year Plus will be **open at the beginning of September** on the first come first serve basis. You can apply one day after you have completed the enrolment into selected study programme on [this web page](#).
