Based on the valid Higher Education Act and in accordance the Statutes of the University of Ljubljana the University draws up the Academic Calendar for the 2018/19 academic year. During both semesters of organised teaching work, 15 working weeks are ensured. In the event the study programme also includes industrial work placement, its duration must not exceed 42 weeks in an individual academic year. The Calendar guarantees three exam periods. Members have free reign to decide when to have exam dates. Whenever possible, there should be more than one date in the same period and students must have the option of taking an exam 3 times before enrolling into the next year.

According to Article 4 of the FNSE Examination Rules, an individual academic year should have 5 exam dates. We recommend that in addition to three exam periods, students also have the possibility of taking exams outside these periods; however, because of the enrolment procedure, they should not be scheduled after 13/09/2019, unless the teaching process (field work) requires it. We ask that you follow Article 6 of the Examination Rules and inform the SAO about the approximate dates for the examinations before the start of the academic year.
