In the library of the Department of Textiles, Graphic Arts and Design, we offer you the opportunity to purchase an NTF sweater, t-shirt and/or bottle, which are an excellent opportunity to build the NTF community and co-create belonging.

The following products are available:

Our hooded sweater (straight cut, hood has a flat drawstring with metal finials) is made of high quality materials (80% cotton, 20% polyester) to ensure comfort and warmth. It is available in different sizes, so everyone can find their own. The sweater is ideal for cooler days and is a great way to show your NTF affiliation.

Sweater – EUR 29.50

The t-shirt is made of soft and breathable cotton (100% cotton), which ensures comfort throughout the day. Available in female and male models in different sizes. The t-shirt is perfect for everyday wear or as part of sports equipment.

T-shirt – EUR 10

• Made of stainless steel with a bamboo lid and handle, the double wall water bottle is perfect for anyone who is always on the go. It keeps the liquid fresh and is easy to clean. The water bottle is practical and at the same time elegant, and with the NTF logo it will be your loyal companion during sports activities or at work. Volume: 500 ml.

• Water bottle – EUR 9.50

• Where can you buy the products?

• We invite you to visit the OTGO library and choose your favourite piece. You can make the purchase during the library's working hours. Payment is possible by cash or card.

Why buy our products?

NTF promotional products are more than just clothes and accessories. They are an expression of your belonging and pride in our faculty. By purchasing these products, you support the NTF community and help create a connection between students, staff and alumni.

Don't miss the opportunity to be part of our story. Visit us at the OTGO library and get your piece of NTF.
