IT services tasks:

- solving network problems
- questions regarding VIS, EDUROAM, user profiles
- help regarding hardware (printers, computers...)
- questions regarding hardware/software

use contact mail helpdesk@a.ntf.uni-lj.si

In many cases I can help you solve the problem remotely (provided your internet connection is operational). Use the program which allows me to connect remotely to your computer: [TeamviewerQuickHelp](#). Download the file, run it and tell me access codes to your computer thereby allowing me temporary access to your machine.
