On the 11th April 2019 the European Commission will organise a “Coordinators’ Day” for coordinators of existing grants. The purpose of the event is to explain the details on the preparation of grant amendments and reports. It will take place in the Charlemagne building, in Brussels, from 9.30 to 17.00h. The event is **mainly meant for grant coordinators**, but other project participants, and of course NCPs, are also welcome **subject to the availability of seats**.
