Subject: EIF live webinar 25/06 – Skills & Education Guarantee Pilot – Please join Dear DG HE representative,

On April 22nd, 2020, the European Commission and the European Investment Fund (EIF) launched **the Skills and Education Guarantee Pilot (S&E Pilot)**, a new debt financing initiative dedicated to stimulating investments in education, training and skills. Financing from this scheme (supported by an EU/EIF guarantee) will be offered through financial intermediaries (banks, national promotional institutions, education institutions, etc.) to support **individual students and learners**, as well as **enterprises & organisations (incl. higher education institutions)** seeking to invest in education, training and skills – including through digital means.

In order to inform interested organisations and stakeholders on the initiative, EIF is organising a **webinar on the Skills and Education Guarantee Pilot** on Thursday **25 June (starting 9h30)**.

The webinar is dedicated to all potential financial intermediaries, with a specific focus on how the S&E initiative can help higher education institutions to attract and support students (at all levels of education and training, e.g. Ba, Ma, PhD, VET, trainees, ...), in particular through fee deferral schemes. Please find hereby a short overview of the S&E scheme (and contact details at EIF for further info), as well as the registration link below for the EIF webinar. Please feel free to share it with any potential financial intermediaries or other interested organisations in your country.

In case of additional questions, please feel free to contact Marc Goffart (marc.goffart@ec.europa.eu, EAC/B1) or Rossella Cravetto (rossella.cravetto@ec.europa.eu, EAC/A1), or the EIF colleagues. Apologies for any cross-postings.
