# Our Campus

## Main campus

The Universidad de Ibagué has a modern, comfortable and friendly campus of more than 115,686 square meters, of which about 92,156 square meters of parkland and reserves.

Architecture is an example of aesthetic and ecological balance.

## Santa Ana's campus

Universidad de Ibagué's students have access to sport in Santa Ana's Campus. The recreation, culture and sport that can practice over there, facilitates conviviality, improves the quality life and the conditions of study, work, research and teaching in the institution.

# Live an international experience!

## Academic Semester

The Universidad de Ibagué has opened its registrations for the reception of foreigners' applications for Exchange Semester. The purpose is provides support to foreign students who are interested in study undergraduate courses through this academic mobility option in our University.
