## 4<sup>th</sup> International Symposium on Multidisciplinary Studies and Innovative Technologies

---

ISMSIT2020 will be held on the date we announced. Due to the corona virus (COVID-19), which threatens many countries in the world, **all presentations** will be made **online** via video conferencing.

**Dear Respected Colleagues,**

We will be happy to welcome scientists at the **4<sup>th</sup> International Symposium on Multidisciplinary Studies and Innovative Technologies (ISMSIT2020)** which we will organize between October 22-24, 2020. [Click for website.](#)

International Symposium on Multidisciplinary Studies and Innovative Technologies (ISMSIT) has been organized since 2017. The symposium aims to bring scientists, experts, instructors, non-governmental organizations and private sector representatives together to share and discuss theoretical and practical knowledge in a scientific framework. In addition to cutting edge research paper presentations in engineering areas, the symposium serves as a multi-disciplinary platform for discussing current issues in the multidisciplinary studies and innovative technologies.

Thank you for your scientific contribution and support to ISMSIT2020.

*Indexed by Thomson Reuters, SCOPUS, Ei Index, TR Dizin*

## Publishing Opportunities

*You can only benefit from one publication opportunity for each paper. However, abstracts of papers published in the journal will be published in the abstracts book.*

1. IEEE Xplore
  - Only full paper will be published.
  - The Proceedings will be published with ISBN Numbers.
  - Papers to be published in IEEE Xplore will be submitted to various international databases such as SCOPUS, Inspec and Google Scholar for indexing.
2. European Journal of Science and Technology (EJOSAT) Special Issue
  - EJOSAT Indexes: ULAKBIM (TR Dizin), CiteFactor, ESJI, SJIFactor, DRJI, Google Scholar, Scientific Indexing Services
3. Linear Time-Varying Systems (APC \$2200) Special Issue
  - Indexes: Science Citation Index Expanded, Scopus ...
4. International Journal of Multidisciplinary Studies and Innovative Technologies (IJMSIT)
  - IJMSIT Indexes: Google Scholar, Index Copernicus, ResearchBib, DRJI, ESJI, Sindex
5. Abstracts Book and SETSCI
  - Each Paper will be assigned Digital Object Identifier (DOI) from DOI Directory
  - The Proceedings will be published with ISBN Numbers.
  - SETSCI Indexes: AcademicKeys, ResearchBib, ICI Journals Master List database, Journal Factor, DRJI, ESJI
