Present your project idea and become part of the brokerage event

Networking for Applications to EU Centralized Calls

Food, Bioeconomy, Natural Resources, Agriculture, and Environment

Hotel Four Points by Sheraton Ljubljana Mons, 13 February 2025

APPLY NOW

Share your novel project idea and expand your network in the world of EU calls!

Your presentation

In 3 minutes present your project idea related to Food, Bioeconomy, Natural Resources, Agriculture and Environment.

By presenting, you seize the opportunity for the organizer to target suitable partners for your idea at the networking event.

Who can apply

Open to anyone interested in or already preparing research project applications for calls under centralized EU programs.

Application deadline

15 October 2024

Additional support from the UL University Office for Research

- Opportunity to participate in a training on creating a successful ppt presentation: »How to make your presentation more engaging«.
- Support in building a project consortium.
- Support in finding the most suitable calls.
- Support with proposal writing.
