Call for enrolment of new students into [second cycle master study programmes](#) and [third cycle doctoral studies](#) is published on University of Ljubljana web pages.

- **Don't forget to upload documents for the recognition of foreign education.** You will find instructions on [this](#) page.

Students have to apply for the second and third cycle study programmes at the [eVŠ website](#). If you have technical problems or you have questions regarding filling out the application form, send your questions to pc@pora-evs.mvzi@gov.si

You have to complete your application before 1 September 2024.

- Students applying for doctoral studies must by the end of the application date get a consent from a university teacher to be their mentor. They have to upload the mentor's consent to eVŠ.
- Instructions for enrolment to those who fulfil programme requirements will be sent by e-mail not later than 20 September 2024.
