

ENROLMENT INFORMATION - 2021/2022 YEAR

For enrolment into next year of study you have to use the VIS information system.

You can access it at [VIS - NTF \(uni-lj.si\)](#)

To access VIS you need your digital identity. It was given to you when entering first year of studies. In case you forgot your password, you can change it at [ID portal \(uni-lj.si\)](#)

Entering additional year

Those who were enrolled in the same study year twice or changed their study programme cannot enrol into additional year. Students of first and second cycle studies not complying terms for entering in higher year of education have to submit their application through the VIS system from until 9th September 2021. Signed applications must be delivered to student office before 10th September 2021 at 12:00.

Third cycle students who don't meet the requirements for progression to a higher year of education will find application forms on this site. Deadline for submitting your application is 31st August 2021.
