

ENROLMENT INFORMATION - 2025/2026 YEAR

For enrolment into next year of study you have to use the VIS information system.

You can access it at [VIS - NTF \(uni-lj.si\)](#)

To access VIS you need your digital identity. It was given to you when entering first year of studies. In case you forgot your password, you could change it at [ID portal \(uni-lj.si\)](#). You are obliged to change your password every 6 months. Also, you have to arrange the multi-factor authentication. Instructions are on this web page <https://id.uni-lj.si/>

Entering additional year

Those enrolled in the same study year twice or changed their study programme cannot enrol into additional year.

Second cycle students not complying terms for entering in higher year of education have to submit their application through the VIS system from 8th until 11th September 2025. Signed applications must be delivered to student's office before 10th September 2025 at 12:00.

Third cycle students who don't meet the requirements for progression to a higher year of education will find application forms on this site. Deadline for submitting your application in student's office is 31st August 2025.
