Abbreviations used for the syllabus:

L – lectures

S – seminar

P – practice

O – other forms of educational activities (mainly project work)

ECTS – European Credits Transfer System (1 credit point equals a 30-hour student workload or 20 hours of practice)

Grey – Grey written courses are not carried out in this academic year

In the 5th semester, four credit points are intended for technical subjects from the list, and in the 6th semester, the number of credits for the subjects from the same list is 6 credit points.
