## Student obligations

### Postponed

Students may enrol into the next year if they have obtained:

-   at least 49 CP from exams and other study requirements in the currently enrolled year;
-  all the requirements from the previous year.

A  student may exceptionally be allowed to continue to the next year even if he or she is missing more than 11  required CP; however, the student must have justifiable reasons for doing so, as determined by the Statutes of the  LJL.

### To repeat a year, students must:

-  1st year: complete all the practical work in that year and achieve at least 26 ECTS credit points;
-  2nd year: complete all the practical work in that year and achieve at least 26 ECTS credit points;
-  During the course of their studies, students may repeat a class once or transfer to another study programme or  for having failed to fulfil their obligations in the scope of the previous study programme.
