

Minimum Progression Requirements for 2023/2024 year

In order to progress to the next year of study, a minimum number of credit points (ECTS) is required by each specific study programme individually.

Programme	Enrolment into the 2nd year	Enrolment into the 3rd year: ALL ECTS from the 1st year of study and in addition
Geology (university programme)	Minimum of 54 ECTS	Minimum of 54 ECTS in 2 nd year
Materials engineering (university programme)	Minimum of 49 ECTS	Minimum of 49 ECTS in 2 nd year
Geotechnology and environment (university programme)	Minimum of 49 ECTS	Minimum of 49 ECTS in 2 nd year
Geotechnology and mining (higher professional)	Minimum of 49 ECTS	Minimum of 49 ECTS in 2 nd year
Metallurgical technology (higher professional)	Minimum of 49 ECTS	Minimum of 49 ECTS in 2 nd year

Minimum requirements for a repeat year in 2023/2024

To repeat a year is allowed only once for every cycle of studies. This option is not available if you've already changed study programme.

Geology (university programme)	For the 1 st or 2 nd year: minimum requirement is 27 ECTS
Materials engineering (university programme)	For the 1 st or 2 nd year: minimum requirement is 20 ECTS
Geotechnology environment (university programme)	For the 1 st or 2 nd year: minimum requirement is 26 ECTS and in addition completed all the practical work required by each course
Geotechnology in mining (higher professional)	For the 1 st year: minimum requirement is 26 ECTS. For the 2 nd year: minimum requirement is 26 ECTS and completed 60 ECTS in 1 st year of study Additional requirement for both years is to have completed all the practical work required by each course.
Metallurgical technology (higher professional)	For the 1 st or 2 nd year: minimum requirement is 20 ECTS
