According to Article 4 of the FNSE Examination Rules, an individual academic year should have at least 3 exam dates. We recommend that in addition to three exam periods, students also have the possibility of taking exams outside these periods; however, because of the enrolment procedure, they should not be scheduled after 11/09/2026, unless the teaching process (field work) requires it. We ask that you follow Article 6 of the Examination Rules and inform the SAO about the approximate dates for the examinations before the start of the academic year.
