Tutoring at the Faculty of Natural Sciences and Engineering

Tutoring is systematic guidance to students in their studies and in their academic development.

The purpose of tutoring at NTF is to:

- support students during their studies,
 - increase the transfer of students to the next year,
 - advise students in the selection of optional courses,
 - assist in the study of individual courses or the mandatory practice,
 - encourage students to participate in extracurricular activities.
-
- Vice dean for student affairs at faculty: prof. dr. Jožef Medved
