

Student obligations

[NTF](#) › [OMM](#) › [Study](#) › [Doctoral Degree](#) › [Materials Science and Engineering](#) › [Other information](#) › [Student obligations](#)

To progress to the second year of studies, students must collect a minimum of 45 ECTS, of which at least 10 ECTS from optional courses, and successfully present the hypothesis of the PhD topic. To progress to the third year of studies, students must complete all study obligations from the first and second year of studies and

have an approved topic for the PhD Thesis.
