
Conditions for Concluding Study

[NTF](#) › [OMM](#) › [Study](#) › [Doctoral Degree](#) › [Materials Science and Engineering](#) › [Other information](#) › [Conditions for Concluding Study](#)

To complete the study, students must fulfil all the study obligations prescribed by the study programme and prepare and successfully defend their PhD thesis according to Rules on PhD study approved by the Senates of FNSE, FCCT or FMP. Before the grade is approved by the Senate of the corresponding faculty, students must publish a paper as the first author in an international scientific magazine from the field of their PhD research.
