
Transfer between programmes

[NTF](#) › [OMM](#) › [Study](#) › [Doctoral Degree](#) › [Materials Science and Engineering](#) › [Other information](#) › [Transfer between programmes](#)

Transfer is understood as discontinuation of studies in one programme and continuation in the PhD Programme in Materials Science and Engineering. Enrolment into the first year does not count as transfer. The Programme Council makes individual decisions about transfers according to the Statute of University of Ljubljana and the Criteria for Transfer between Study Programmes.
