

## ENROLMENT INFORMATION - 2024/2025 YEAR

**For enrolment into next year** of study you have to use the VIS information system.

You can access it at [VIS - NTF \(uni-lj.si\)](#)

**To access VIS** you need your digital identity. It was given to you when entering first year of studies. In case you forgot your password, you could change it at [ID portal \(uni-lj.si\)](#)  
You are obliged to change your password every 6 months.

### **Entering additional year**

Those enrolled in the same study year twice or changed their study programme cannot enrol into additional year.

**Second cycle students** not complying terms for entering in higher year of education have to submit their application through the VIS system from 2nd until 5th September 2024. Signed applications must be delivered to students office before 6th September 2024 at 12:00.

**Third cycle students** who don't meet the requirements for progression to a higher year of education will find application forms on this site. Deadline for submitting your application in students office is 31<sup>st</sup> August 2024.
