PREIZKUS NADARJENOSTI IN PREDSTAVITVENA MAPA

Oblikovanje tekstilij in oblačil – 1. Stopnja, dodiplomski študij

Preizkus likovne nadarjenosti se izvede v obliki oddaje predstavitvene mape ter razgovora in zajema tri sklope:

1. sklop: preizkus iz risanja in slikanja – test razumevanja prostora, proporcij, kompozicije, anatomije, svetlobe in senc, barve in teksture.
2. sklop: preizkus iz oblikovanja oblačil – test razumevanja modne skice in vizualnega artikuliranja.
3. sklop: preizkus iz oblikovanja tekstilij in barvne občutljivosti – test dvodimenzionalnega oblikovanja

Kandidat prejme navodila po e-pošti. V referat za študijske zadeve NTF posreduje kandidat po e-pošti predstavitveno mapo, na podlagi tega se organizira razgovor s kandidatom, kjer sledi Preverjanje poznavanja področja modnega in tekstilnega oblikovanja ter sposobnosti verbalnega artikuliranja in poteka preko spleta v datumih, ki so določeni v Razpisu za vpis.

Oblikovanje tekstilij in oblačil – 2. stopnja, magistrski študij

Kandidat predloži predstavitveno mapo (portfolio) s svojimi avtorskimi deli s področja modnega oblikovanja in oblikovanja tekstilij. Mapa naj vsebuje tudi življenjepis in bibliografski pregled javnih predstavitev in objav.

Chair of Textile and Fashion Design

TALENT TEST – ENTRY EXAM AND PRESENTATION MAP

Textile and Fashion Design - Level 1, undergraduate study

The artistic talent test is conducted in the form of submitting a presentation folder and an interview, and comprises three parts:

Part 1: Drawing and painting test – a test of understanding space, proportions, composition, anatomy, light and shadows, colour and texture;

Part 2: Fashion design test – a test of understanding a fashion sketch and of visual articulation;

Part 3: Textile design and colour sensitivity test – a two-dimensional design test.

The candidate receives instructions by e-mail. The candidate submits a presentation folder to the Student office at NTF by e-mail, based on which an interview with the candidate is organised. The latter is followed by an examination of knowledge in the field of fashion and textile design, and of verbal articulation capability. This examination takes place online on the dates specified in the Call for enrolment.

Textile and Fashion Design - Level 2, Master's Degree

The candidate submits a portfolio with his/her own works in the field of fashion and textile design. The folder should also include a curriculum vitae and a bibliographic overview of public presentations and publications.
