INDUSTRIAL PLACEMENT AT THE DEPARTMENT OF TEXTILES, GRAPHIC ARTS AND DESIGN

The Bologna undergraduate professional study programme at the Department of Textiles, Graphic Arts and Design (Graphic and Media Technology and Textile and Clothing Production) calls for a 15-week industrial work placement in the 5th semester.

The industrial placement of Textile and Clothing Production Students takes place in smaller and larger textile, clothing and leather companies, in stores offering textile service activities, in the area of styling, in theatres, museums and restoration centres, in educational institutions, in research institutes working in the field of textiles and in public administration.
