

Student exchange – list of courses for Erasmus students

[NTF](#) > [TOI](#) > [Study](#) > [Student exchange – list of courses for Erasmus students](#)

The list of courses for Erasmus students in the study year 2019/2020 from the field of Textiles

- [Bachelor study programme 2019_2020 \(1st level\)](#) [doc – 81 KB]
- [Master study programme 2019_2020 \(2nd level\)](#) [doc – 55 KB]

Erasmus+ agreements pertaining to textile engineering:+

Erasmus+ Programme: Inter-institutional agreements for student mobility from the field of textiles

- Universiteit Gent, Gent, Belgium (undergraduate study: 6 places)
- Technical University of Gabrovo, Gabrovo, Bulgaria (undergraduate, postgraduate, doctoral study: 2 places)
- Technical University of Liberec, Liberec, Check Republic (undergraduate, postgraduate, doctoral study: 4 places)
- Universite de Haute Alsace, Ecole nationale superieure d'ingeneurs Sud Alsace, Mulhouse, France (postgraduate study: 2 places)
- ENSAIT, – Ecole Nationale Superieure des Arts en Industries Textiles, Roubaix, France (undergraduate, postgraduate, doctoral study: 2 places)
- Piraeus University of Applied Sciences, Egaleo, Greece (undergraduate and postgraduate study: 1 place)
- Sveučilište u Zagrebu, Tekstilno-tehnološki fakultet, Zagreb, Croatia (undergraduate and postgraduate study: 1 place, doctoral study: 1 place)
- Vilniaus Kolegija, Universtiy of Applied Sciences, Vilnius, Lithuania (undergraduate study: 1 place)
- Kaunas University of Technology, Faculty of Mechanical Engineering and Design, Kaunas, Lithuania (undergraduate, postgraduate, doctoral study: 2 places)
- SS. Cyril and Methodius University in Skopje, Faculty of Technology and Metallurgy, Skopje, Makedonija (undergraduate, postgraduate, doctoral study: 3 places)
- University of Applied Sciences, Hochschule Niederrhein, Krefeld, Germany (undergraduate, postgraduate, doctoral study: 2 places)
- RWTH Aachen University – Institut für Textiltechnik, Aachen, Germany (postgraduate and doctoral study: 2 places)
- Lodz University of Technology, Faculty of Material Technologies and Textile Design, Lodz, Poland (undergraduate, postgraduate, doctoral study: 2 places)
- University of Bielsko-Biala, Bielsko, Poland (undergraduate study: 1 place)
- Gheorghe Asachi Technical University of Iasi, Iasi, Romania (undergraduate, postgraduate, doctoral study: 2 places)
- University of Boras, The Swedish School of Textiles, Boras, Sweden (undergraduate and graduate study: 1 place)

Coordinators+

Erasmus+ Sectoral Coordinator for Textile Engineering:

dr. Mateja Kert

E-mail: mateja.kert@ntf.uni-lj.si

Tel.: +386 1 20 03 234

Fax: +386 1 20 03 270

Coordinator of the Erasmus+ programme at the Department of Textiles, Graphic Arts and Design for industrial placement:

mag. Mirjam Leskovšek

E-mail: praksa@ntf.uni-lj.si

Tel.: +386 1 20 03 266

Fax: +386 1 20 03 270

Coordinator of the Erasmus+ programme at the Faculty of Natural Sciences and Engineering:

Majda Štraki

E-pošta: majda.strakl@ntf.uni-lj.si

Tel.: +386 1 47 04 647

Fax: +386 1 47 04 560
