

AUTEX

[NTF](#) › [TOI](#) › [About](#) › [International association](#) › [AUTEX](#)

Chair of Textile and Clothing Engineering is a member of **AUTEX, the Association of Universities for Textiles**. AUTEX is a worldwide network of textile universities and was founded in 1994. The association currently has 38 members from 28 countries. AUTEX's mission is to promote high level cooperation among its members in textile education and research.

Its motto is: **Stronger together**.
