Doctoral programme

**TEXTILE ENGINEERING, GRAPHIC COMMUNICATION AND TEXTILE
DESIGN**

Research field (mark accordingly):

- TEXTILE ENGINEERING
- GRAPHIC COMMUNICATION
- TEXTILE DESIGN

SELECTED TOPIC OF DOCTORAL THESIS:

.....
.....

SELECTION OF COURSES – write exact titles of courses

In cooperation with the mentor and research field coordinator, the candidate should select courses from the list of basic courses (20 ECTS) and elective courses (25 ECTS). In order to ensure the research field, the student should accumulate a minimum of 20 ECTS from field-specific courses, minimum 10 ECTS from which from basic field-specific courses and 10 ECTS from elective field-specific courses.

1st YEAR**Candidate selects the learning units to the extent of 60 ECTS:**

1. Basic course 1: _____ 10 ECTS
Lecturer: _____
2. Basic course 2: _____ 10 ECTS
Lecturer: _____
3. Elective course 1: _____ 10 ECTS or 5 ECTS
Lecturer: _____
The course titled Introduction to scientific research work (performed at UL, Faculty of Architecture) is obligatory for students who have finished a study programme in the research field of textile design.
4. Elective course 2 (only if the optional course 1 allots 5 ECTS):
_____ 5 ECTS
Lecturer: _____
5. Individual research work 30 ECTS

2nd YEAR**Candidate selects the learning units to the extent of 60 ECTS (a selection of courses is provisional, the final selection is required at the enrolment into the 2nd study year):**

6. Elective course 3: _____ 10 ECTS or 5 ECTS
Lecturer: _____
7. Elective course 4 (only if the optional course 3 allots 5 ECTS):
_____ 5 ECTS
Lecturer: _____
8. Elective course 5: _____ 5 ECTS
Lecturer: _____
9. Presentation of doctoral thesis 5 ECTS
10. Individual research work 40 ECTS

3rd YEAR	
Candidate selects the learning units to the extent of 60 ECTS:	
11. Individual research work	60 ECTS

4th YEAR	
Candidate selects the learning units to the extent of 60 ECTS:	
12. Individual research work	50 ECTS
13. Presentation of findings of the doctoral thesis prior to public defence	5 ECTS
14. Elaboration of doctoral thesis and public defence	5 ECTS

I, the undersigned, hereby state that the personal information in this form can be used for tasks, processes, reports and records related to the doctoral programme at the Faculty of Natural Sciences and Engineering.

Signature of candidate:

Signature of suggested mentor:

Signature of programme coordinator:

Place: _____ Date: _____

Consensus on mentorship	
I, the undersigned, _____	
(Name and surname)	

(Faculty, university)	
am ready to take the mentorship for the candidate _____	
Date: _____	Signature: _____

Consensus on co-mentorship

I, the undersigned, _____
(Name and surname)

(Faculty, university)

am ready to take the co-mentorship for the candidate _____

Date: _____ Signature: _____

Statement of the doctoral student about the commitment to the implementation of ethical principles

I, the undersigned, _____, born on _____
(Name and surname)

in _____, a resident _____

hereby state that I will respect the ethical principles in my research work, the Code of Ethics of the UL, the Code of Ethics for Researchers at UL and other ethical principles of the research field I will operate in.
